It's the freshest, most innovative experience at sea.

On Norwegian Cruise Line, guests will find the world's only floating Villas, up to 13 places to eat, ultrachic lounges and the only bowling alleys and two-story Wii™ screens on the ocean. That's Freestyle Cruising®, where you're free to whatever. Visit [bookncl.com](http://bookncl.com) or call us at 1.800.327.7030.
