Discover Samana

Approximate Duration: 4 hours

Level 2, Family Recommended

Board your transportation for a sightseeing tour of Samana city. Your first stop will be at La Churcha, an old building built in England to house the freed North American congregation in the 1860s. Next, you'll head to a small whale museum where experts will point out some of the mysteries of the humpback whale. Leaving Samana town behind, and on your way to Las Terrenas village, you'll have a photo opportunity of the highest peak situated between Las Terrenas and Samana. Here you'll witness spectacular views of the north coast of Samana. Las Terrenas is a village that lives off the tourism business and where you can find enjoyment at all times on their beaches, and in the streets, hotels, bars, discos and restaurants serving exquisite plates and fresh seafood. Enjoy shopping for a variety of arts and crafts, many of them being unique handmade items that can be difficult to find elsewhere in the Dominican Republic.

Note: Many of the shops at Las Terrenas are closed on Sundays. We recommend you wear comfortable walking shoes.

Everglades Tour to Miami International Airport

Approximate Duration: 3 ½ hours

Level 1, Family Recommended, Debark

Explore the natural wonder of the Everglades from the comfort of your specially designed airboat. Informative, fun and exciting, this tour takes you deep into one of America's largest National Parks – the Everglades. Here you'll come face to face with alligators, exotic birds and native fish while gliding over an endless river of grass. Throughout the approximately 30-minute journey, your experienced guide will introduce you to the unique ecosystem of the park as you experience the vast expanse of this saw grass wilderness passing by lush vegetation, mangrove swamps and hardwood hammocks. Known for its rich bird life, particularly large wading birds, be on the look out for the roseate spoonbill, white ibis, wood stork, great blue heron and a variety of egrets. It's also the only place in the world where alligators and crocodiles exist side by side. Following your airboat ride you'll be able to explore the park on your own. The Reptile Show will provide you with an informative, interactive opportunity to become familiar with the features of the American alligators. You may also choose to take the Jungle Trail, which leads to an area featuring American Alligators, and a crocodile exhibit, including various species from around the world.

Note: Participants must be able negotiate one large step to board the airboat. This tour is only for guests with flights departing after 3:30 pm from Miami International Airport. Guests are responsible for ensuring their debark tours are compatible with their departure flight times. Guests have the option to book their flights through our Premium Air Department to ensure that flight departure times do not interfere with debark tours.
