Mayan Ruins of Altun Ha

Approximate Duration: 3 ½ hours

Level 2

Travel for approximately one hour from Belize City along quaint country roads to the ancient site of Altun Ha. This site captured world attention when Dr. David Pendergast discovered the now famous nine-and-a-half pound jade head of the sun god named Kinich Ahau in the tomb of the Royal Priest, within the main temple. Three plazas and 13 structures mark the epicenter of this important ceremonial site. Prepared stone steps allow you to climb to the top of three of the main temples.

Note: The drive to Altun Ha is approximately 50 minutes, with the last five miles to the site on bumpy and unpaved roads.

City, highlighting 1,000 years of development within this former British Colony. Altun Ha (Mayan for 'Rock Stone Water') thrived as a trading post to the Maya world during the Classic and Post Classic periods. The site was made world-famous by Dr. David Pendergast of the Royal Ontario Museum upon his discovery of the world's largest carved Jade Head, depicting the sun god Kinich Ahau.

Note: The Belize City tour portion is conducted on a bus without stops.

Cave Tubing & Rainforest Trek

Approximate Duration: 6 ½ hours

Level 2, Meal, Age Requirements

A 37-mile drive along the Western Highway brings you to the Caves Branch River and its winding path, through the Maya Mountains and numerous ancient caves once inhabited by the Maya. Upon arrival at Caves Branch National Park, your headquarters for the day, your guide will issue floats and headlamps while providing a tour briefing. You'll take a 45-minute hike down a jungle trail where your guide will point out various plants, roots and herbs once used by the ancient Maya for medicinal purposes. Next, reach the entrance tunnel that heads into the underground cave system for the start of an eye-opening adventure. Then, float with gentle currents through the cave system. Enjoy intricate crystalline formations that line the caves, and the majestic rise and fall of stalagmites and stalactites that add to the serene opulence of nature. On several occasions, you'll emerge into the sunlight, only to enter into another cave system. Finally, your tubing tour will end where the hike began. You'll return your equipment and head back to Belize City and your ship. On your way back to the docks a stop will be made for lunch.

Note: Participants must be at least 10 years of age and able to swim. The cave system and its waterways may cause claustrophobia in a very small percentage of guests. Wear suitable footwear for muddy, wet trails. Bring your swimsuit.

Altun Ha & the Olde Belize River

Approximate Duration: 6 ½ hours

Level 2, Meal

A tender transfer to Belize City and an enjoyable boat ride take you several miles inland by way of the scenic Old Belize River. En route you may see iguanas, several varieties of birds, crocodiles and howler monkeys. At Burrell Boom, a quaint settlement on the riverbank, you'll be served a tasty local lunch with refreshments at The Olde River Tavern, located on the banks of the Old Belize River. You'll then board your tour bus and drive to Altun Ha (Mayan for 'Rock Stone Water'), where Dr. David Pendergast of the Royal Ontario Museum uncovered the famous jade head Kinich Ahau.

Note: Boats are exposed to the elements.

Tour Code: BZE_07

Wildlife Adventure

Approximate Duration: 6 hours

Level 1, Meal

After a brief tender ride to Belize City, you'll board a motor launch for a guided tour of the Old Belize River. On this scenic waterway, look out for crocodiles, howler monkeys, iguanas and other wildlife. Some 20 miles upstream, you'll disembark at The Olde River Tavern for a tasty Belizean lunch and refreshments. From here you'll then travel by road to Belize's famous wildlife habitat, the Belize Zoo. This facility is home to the endemic species of the region that are cared for in their natural environment behind protective fencing.

Note: Animals in the zoo are not in cages but protected by fences. The zoo is not recommended for wheelchairs, walkers or canes, as it has loose gravel paths. Boats are exposed to the elements.

Tour Code: BZE_08

Lamanai & New River Safari

Approximate Duration: 7 ½ hours

Level 2, Meal

An approximately 45-minute drive up the Northern Highway brings you to Tower Hill, where you'll board a riverboat and head up the New River. While navigating the many little creeks and lagoons, it's easy to encounter hawks, kites and falcons. Dainty jacanas lightly walk on the lily pads while crocodiles bask in the sunlight. At the entrance to the New River Lagoon, the ruins of Lamanai (Mayan for 'submerged crocodile') rise into view. As you tour the site, huge masks depicting dead rulers and gods seem to materialize out of the rainforest, amid the chatter of birds and the haunting call of the howler monkeys.

Land Rover Jungle Tour

Approximate Duration: 5 hours

Level 3, Age & Weight Requirements

This tour offers an opportunity to enjoy the awesome natural beauty of the rainforest, uninhabited jungle rivers and caves once used by the ancient Mayans who inhabited this region. You'll depart your ship on a high-speed boat for the Sabun River. Once on the river, the boat will wind its way upstream along the jungle-covered banks, a sight directly from an Indiana Jones movie. After approximately 45 minutes, the boat will arrive at the Landings, a secluded farm located on a peninsula by the river. You'll have a short break to visit the farm and get familiarized with the 4x4 Land Rover which will take you on the next leg of your journey to the Mayan Groto Caves. The Land Rover, which is famous for jungle driving, is the perfect vehicle for the 50-minute drive through the lowlands and into the jungle mud trails. Once at the base camp, your guide will give you local knowledge as he leads your small group on a traverse over a foot suspension bridge across the river. After a short walk through the dense rainforest where many species of huge trees can be seen, you'll arrive at the beginning of the cave experience. The first cave tunnels through the mountain and emerges into a tropical bowl with cliffs on all sides. The Mayans used this location as a sanctuary with protective walls still evident. Within the bowl there are many caves to explore each with different stages of stalactite and stalagmite growth. After caving, you'll have an opportunity to swim in the cool river, relax, and have a snack before boarding a jungle truck for the return trip to Belize City.

Note: Participants must be between the ages of 8 years of age and 65 years of age and weight less than 250 lbs. Guests must be able to drive manual/stick shift transmissions and show drivers license. If you have any previous heart conditions, back or leg problems or are pregnant, this tour is not for you.

Jungle Resort Horseback Safari

Approximate Duration: 4 ½ hours

Level 2, Meal, Age & Weight Requirements

Enjoy an hour of fun-filled excitement as you discover the Belizean tropical forest by horseback. The trail winds through a gallery of royal palms as parrots nesting up near the fronds call out across the forest, the harsh sound temporarily obliterating the sounds of other forest birds. In the high canopy of intertwining branches of guanacaste trees, bullet trees, tarpon blossom and bukat tees, one or more troops of black howler monkeys might fill the air with their deep resonating roars, defining their territory while sunning iguanas lazily and nonchalantly gaze across the river to treetops filled with more iguanas. After your ride, kick off your shoes and relax in a hammock in the shade of a buttonwood tree. At your leisure, enjoy a delicious truly Belizean lunch prepared just for you served buffet style. Grand Cayman North Sound Club Golf

Approximate Duration: 5 hours

Level 1, Age Requirements

Join us for a great round of golf on Grand Cayman's premier golf course, North Sound Club. It was designed to compliment the existing Caymanian terrain, taking into full account the natural obstacles of prevailing ocean breezes, narrow fairways and abundance of water and sand. This 6,605-yard par 71 course is set against the North Sound, making for both interesting play and panoramic vistas of the Caribbean Sea. Located on West Bay Road, close to the famous Seven-Mile Beach waters, a round of golf at North Sound is a must for avid golf fans or the amateur looking to spend a day of leisure on the island. In keeping with the Scottish heritage of all great links courses, North Sound is characterized by mildly undulating landscapes and wide-open spaces; the rough sporting long, heather-like grasses. The coastal property has been left as close to its natural state as possible, making a home for numerous species of wild birds and exotic tropical flora.

Note: Participants must be at least 8 years of age. Package includes transportation, shared golf cart and greens fees. Golf clubs are not included. There is a full service clubhouse including pro shop and cash bar on site with drinks available to purchase on course as well.

Homes & Gardens

Approximate Duration: 1 ½ hours

Level 1

For those who enjoy getting into places that have been featured on HGTV, this walking tour is for you! You'll be met at the pier by a knowledgeable local guide who will chat about the colorful island on the short strolls between destinations. Each of these National Register properties has fascinating associations with international names and the rich history of Key West. The oldest house, home of Captain Francis Watlington incorporates the influences of Colonial architecture found in the Caribbean and New England. Tea is served in the spacious rear garden. A one block walk past distinguished Victorian homes brings you to the Curry Mansion, a magnificent structure created by the riches of Florida's first millionaire. A final two-block stroll brings you to the Audubon House, filled with unusual European furnishings from shipwrecks and original 'Birds of America' engravings surrounded by an acre of tropical Key West gardens. The excursion ends here, across the street from your pier, and in the midst of shops and further attractions. The shady areas of seating will appeal to those who wish to rest before taking on further explorations of Old Town Key West.

Dolphin Dive

Approximate Duration: 3 ½ hours

Level 2, C-Card

From the Anthony's Key dock you'll be taken to Bailey's Key for a top-side orientation and Q&A session to learn about diving etiquette with the dolphins. Next, a five minute boat ride will take you to a beautiful reef wall where you'll descend to a white sand bottom at a depth of 60 feet, and then two or three naturally curious dolphins arrive and are free to interact with you as they choose. In this unstructured dive, the complexities of the dolphins' relationships and communication are revealed as you spend 45 minutes observing, photographing and playing with the dolphins in the open ocean. These dives are limited to a small group of divers who are accompanied by a dive guide, dolphin behaviorist and video photographer.

Note: Participants must be certified as an Open Water Diver. Total time in the water is approximately 45 minutes. Due to restrictions by the Dive Provider, any Scuba participants currently taking any medication or with a previous medical condition should bring a note from their primary physician stating that they are medically cleared to participate on a Scuba excursion.

Everglades Tour to Miami International Airport

Approximate Duration: 3 ½ hours

Level 1, Family Recommended, Debarck

Explore the natural wonder of the Everglades from the comfort of your specially designed airboat. Informative, fun and exciting, this tour takes you deep into one of America's largest National Parks – the Everglades. Here you'll come face to face with alligators, exotic birds and native fish while gliding over an endless river of grass.

Throughout the approximately 30-minute journey, your experienced guide will introduce you to the unique ecosystem of the park as you experience the vast expanse of this saw grass wilderness passing by lush vegetation, mangrove swamps and hardwood hammocks. Known for its rich bird life, particularly large wading birds, be on the look out for the roseate spoonbill, white ibis, wood stork, great blue heron and a variety of egrets. It's also the only place in the world where alligators and crocodiles exist side by side. Following your airboat ride you'll be able to explore the park on your own. The reptile show will provide you with an informative, interactive opportunity to become familiar with the features of the American alligators. You may also choose to take the Jungle Trail, which leads to an area featuring American alligators, and a crocodile exhibit, including various species from around the world.

Space Center. En route, your personal guide will brief you on your visit to Florida's Space Coast. Upon arrival, you can experience the new Shuttle Launch Experience which replicates the sights, sounds and feelings of a shuttle launch; an incredible journey of launching into space and orbiting Earth aboard a Space Shuttle. Guest crew members strap in and go vertical for launch in a one-of-a-kind motion-based simulator, the only realistic simulation of a launch ever created. The five-minute experience sequence culminates with a breathtaking view of Earth from space. You'll then board an exclusive coach for a tour of NASA restricted areas. Ride out to the Space Shuttle launch pads, closer than regular guests are allowed, see one of the largest buildings in the world, the vehicle assembly building, and visit the award-winning Apollo/Saturn V Center. Here you'll relive the launch of the massive Saturn V rocket and enjoy a front-row seat as man lands on the moon. Upon conclusion of your personal tour of Kennedy Space Center, you'll be transported by motorcoach to the Orlando International Airport.

Airboat Adventure - Ending at the Airport

Approximate Duration: 2 ½ hours

Level 1, Debarck

Imagine seeing the world in a whole new light. This educational excursion takes you into the seldom-visited heart of natural Florida. Experience beautiful protected wetland hammocks within the heart of the Central Florida Everglades. Your journey starts with your guide's narrative en route to Lone Cabbage, a 100-year-old outpost and turn-of-the-century fish camp located in the middle of the back country. At the camp you'll see a live wildlife presentation and some participants will even get to hold a live alligator. Then, board your 15-passenger airboat for a guided adventure into the Central Florida Everglades traveling at speeds of almost 40 mph. Travel by airboat into pristine sections of fresh water marshes and up river, into the Bald-Cypress Swamp, home of the Florida alligator, American bald eagle and a huge assortment of wildlife. Certified eco-guides will ensure that you come away with a new and profound understanding of Florida's vastly different land and plant communities and the importance of their interrelationship and preservation. You'll see alligators, birds, reptiles and learn of the unique swamp life up-close, as your expedition explores an area of the Central Florida Everglades. Afterwards, you may sample alligator tail and enjoy a soft drink.

Note: Wildlife sightings are frequent, but not guaranteed. Guests will arrive to the airport approximately by 1:00 pm. This tour is only for guests with domestic flights departing after 2:00 pm and international flights departing after 3:00 pm from Orlando International Airport. Guests are responsible for ensuring their debark tours are compatible with their departure flight times.
