

MEET OUR AWARD-WINNING ALASKA CRUISETOUR SHIP

NORWEGIAN SUN

2016 ALASKA CRUISETOURS

SEE ALASKA EVERY WHICH WAY.

Alaska is far from ordinary, so plan a frontier vacation that goes beyond the expected. Think wild and search for bear, moose and caribou in Denali, or get up close and personal with black, brown or grizzly bears — as in eye level — at the Alaska Wildlife Conservation Center. Feel a part of Alaska's individualist lifestyle as you visit local artist and fishing communities in Homer. Or put your bedtime on hold and join in Fairbanks' Midnight Sun events during the bright summer solstice. In Alaska, our Cruisetours give you hundreds of ways to explore Alaska's vast interior wilderness that you can't get anywhere else. Nature makes its own schedule. And with Freestyle Cruising®, so can you.

The month of May offers guests a deeper view "into The Wild" with trees just budding and cooler temperatures. June through August guests fully experience the Midnight Sun and resulting brilliant flower displays. September offers guests the spectacular color changes of the Arctic tundra and a first glimpse of snow on the mountain peaks. Alaska is the definition of Free Range — animal sightings are possible all season long. No matter when you go, Alaska is filled with the unexpected and indelible. You may leave Alaska but Alaska will never leave you.

SIX GREAT WAYS TO SEE AUTHENTIC ALASKA
