Aloha! We're delighted to have you join this special tour and experience the spirit of Hawai'i.

Hawai'i is a magnificent meld of lush rainforests, sky-high waves, ancient kingdoms, World War II history and beauty of volcanic proportions. Drive along our scenic North and South shores. Re-live the sights and sounds of the events leading up to the attack on Oahu through several interpretive displays at the Pearl Harbor Visitor Center, and walk in General MacArthur's footsteps on the Surrender Deck of the battleship USS *Missouri*.

Whether it's hanging ten, exploring the mountains and untouched beauty of Ko'olau Mountain Range or learning an authentic hula dance, there is much to see, do and experience. We look forward to providing you with an authentic Hawaiian experience every step of the way. Mahalo.

Traveling through downtown, you will see the state capitol building, the governor's mansion, Iolani Palace (the only royal palace in the United States) and the imposing King Kamehameha statue. From there, you will visit Pearl Harbor and enjoy observations from an expert tour guide. The Pearl Harbor Visitor's Center Exhibit Gallery brings visitors closer to the sights and sounds of the events leading up to the attack on Oahu and its aftermath.

These galleries display personal memorabilia, dramatic photographs, artifacts of the battle, and other exhibits. Throughout the facility are interpretive wayside exhibits that invite visitors to imagine the experience of that tragic day. Through superimposing descriptive images of Pearl Harbor as it was in 1941 across the panorama of the busy port as it appears today, the wayside exhibits allow visitors to connect the past with the present. Don't forget the Remembrance Circle, this exhibit pays tribute to the men, women, and children, both military and civilian, who were killed as a result of the attack on December 7, 1941.

You will then tour the USS *Bowfin*, the submarine known as the "Pearl Harbor Avenger," and get a close look at its torpedo room, engine room and sleeping quarters. Then you will have the chance to explore the decks of the 60,000-ton battleship USS *Missouri*. Don't miss the Surrender Deck on "Mighty Mo" where General MacArthur accepted the unconditional Japanese surrender that ended World War II.

Your afternoon continues at the Pacific Aviation Museum within former World War II airplane hangars on Pearl Harbor's Ford Island. Experience exhibits showcasing the stories behind World War II fighter planes and bombers. Plus see planes like an authentic Japanese Zero as well as a B-25B bomber, the planes used in 1942 during the Tokyo Raid. Meals are on your own today.
