OCEAN BLUE

Ocean Blue & The Raw Bar are dining concepts created out of my dedication to sourcing the freshest seafood and premium ingredients a chef can buy. When considering the hospitality style and sensibility of the restaurant, I planned to bring the best of Manhattan on board the Breakaway. I routinely train Norwegian chefs in my New York City kitchens, purchase product from the same purveyors I use on land and import specialty items such as tea from Paris. Every item here has been handpicked to bring something unique to your dining experience. I hope that you enjoy your meal and most importantly, your voyage with Norwegian.

Cheers,
