WHAT YOU NEED TO KNOW.

PRIORITY CHECK-IN

Priority check-in is provided only to guests having a ceremony on the first day of sailing. On the day the ship sails, the bride and groom will be greeted by their Wedding Coordinator when they check in with the Pier Supervisor. All sailing guests must have the paperwork completed in their ticket books before arriving at the terminal. The Wedding Coordinator will escort the bridal couple to their stateroom. Bridal couples will be permitted to board as soon as customs clears the ship, which is usually between 11am and 11:30am, so the couple should arrive at the terminal at 10:30am to meet the Wedding Coordinator.

All sailing guests will receive special priority check-in and be escorted on board shortly after the bridal couple. All guests should arrive at the pier between 11am and 11:30am. Whereas we are able to provide priority check-in for sailing guests, we are unable to provide an escort from the pier to their stateroom.

Note: It is extremely important that the wedding party hand-carry all items on board to be used in the ceremony (tuxedos, wedding dress, shoes, jewelry, etc.) Luggage checked with the luggage handlers will not arrive at your stateroom until after the ceremony.

CANCELLATION POLICY

For a full refund of your wedding and wedding enhancements, notice of cancellation must be received in writing at the Norwegian Cruise Line office no later than sixty (60) days prior to sailing date. A full refund, less \$400 administration fee, will be issued. No refunds for cancellations made less than sixty (60) days prior to sailing date.
